Menu changes, allergies and main courses

If you would like to customise any of the dishes on our menu, we will be delighted to help. Please contact our Sales Team for advice and a quotation tailored to your needs.

As an alternative to the main course, we offer a selection of rice dishes prepared for the whole table to enjoy. Please check availability for your booking date in advance: our rice dishes are prepared by hand, and we serve a limited number each day to ensure their quality.

To help us take care of every detail, please let us know in advance if any guest has a food allergy or intolerance, or follows a special diet. Our team can then adapt the menu to their needs so that everyone can fully enjoy the dining experience.

Booking confirmation, payments and terms

For group bookings of more than 20 people, a non-refundable deposit of €500 is required, payable by bank transfer.

The remaining balance of the quoted price, after deducting the deposit, is payable one week before the event.

All deposits are non-refundable.

Changes to guest numbers: a reduction of up to 25% of the booked number is permitted if notified at least one week in advance.

The final minimum guest number will be based on the number confirmed in writing one week before the event. No further reductions will be accepted after that date.

All cancellations and changes must be confirmed in writing.

All our prices include VAT.

Our dishes are made with fresh ingredients and may vary with the season.
